

SEW-INS AND BUILDING A COMMUNITY ONLINE

KARA SANDERS

WHAT'S YOUR MISSION?

My goal was to help facilitate friendships between folks regionally who might not otherwise know each other. We keep our group to a four-state geographic area (though we're not exclusive!) and it works out really nicely to "meet" folks in the FB group and then really meet them in real life at regional get-togethers or a retreat!

WE SET OUR OWN CONDITIONS!

What do you want as a participant in the community? Be the example that you want others to model. Motivate! Encourage! Build up! Love! We all have bad days and it's our responsibility to do what we can to be a bright spot for others.
