

SEWING CURVES WITH AUDREY ESAREY

- Use the paper template to trace your fabric pieces, and transfer registration points into the seam allowance with a marking tool.
 - Pin your seam beginning at the corners and then distribute the fabric evenly among the seam.
 - Press your curved seam open for a flat finish.
 - There are lots of opportunities for color play with this block.
 - Introduce the background fabric for visual interest provided by negative space areas.
-
- “The Circle Study” quilt
